Conveyance allowance-Supervisor-Bellary Town Works.

The Superintending Engineer, Madras Circle, reports that the Supervisor, Bellary Town works section, has an average daily travelling of 7 to 8 miles on inspection duty within a radius of 5 miles and that he has to travel beyond a radius of 5 miles from headquarters only very occasionally-about 4 times in a year. In the circumstances, I recommend that a cycle allowance of Rs.5/- per mensem may be sanctioned to the Supervisor for all the journeys within his jurisdiction.
